

Blade Cartridge 3.5 Right

This cartridge has been designed to work with the C120-008 due to the shape of the tip.

C120 cartridges are appropriate for soldering and desoldering chip components or dual in line easily, reducing handling time.

They work with Micro Tweezers which enables to align the cartridges according to the user needs.

JBC Long Life Tips offer instant heat up, excellent heat transfer and great durability.

They last 5 times longer than other brands thanks to the JBC Most Efficient Soldering System and the Sleep & Hibernation features.

Cartridges are sold individually
