

Bevel Cartridge Ø 1

C115 cartridges are appropriate for soldering and rework **very small-sized** components at **high precision**, even under a microscope.

They work with NT115 Nano Handle and comply with the most demanding regulations.

JBC Long Life Tips offer instant heat up, excellent heat transfer and great durability.

They last 5 times longer than other brands thanks to the JBC Most Efficient Soldering System and the Sleep & Hibernation features.
